Deliberative Process / Ex. 5

On Jan 5, 2016, at 10:29, Jones, Samantha <Jones.Samantha@epa.gov> wrote:

Hi all,

For today's meeting, I added a few comments to Vince's so if we are going to project the assessment as we discuss, it may be more efficient to use this one.

Thanks,
Samantha

Subject: RE: RDX and submitting to the ERC for close out

Vince, Gina and Samantha,
Attached please find the RDX documents that Lou and I are submitting for the second round of ERC review. Included are "clean" and "compare" versions of the following documents. The "compare" is a compare to the 1st ERC draft.

-- Tox Review
-- Supplemental Information
-- Charge

<< File: RDX_Public Comment draft Charge to External Reviewers_2nd ERC draft_12-21-15_clean.docx >> << File: RDX_Public Comment draft Charge to External Reviewers_2nd ERC draft_12-21-15_compare to 1st ERC.docx >> << File: RDX_Public Comment draft Supplemental Information_2nd ERC draft_12-21-15_clean.docx >> << File: RDX_Public Comment draft Supplemental Information_2nd ERC draft_12-21-15_compare to 1st ERC.docx >> << File: RDX_Public Comment draft Toxicological Review_2nd ERC draft_12-21-15_clean.docx >> << File: RDX_Public Comment draft Toxicological Review_2nd ERC draft_12-21-15_compare to 1st ERC.docx >>

In addition, Lou and I prepared a summary of major comments/recommendations from the 1st ERC discussion and how we addressed these comments.

<< File: Summary of major ERC issues_RDX_12-21-15.docx >> We've attempted to address all major issues raised by the ERC, but expect that additional discussion of at least two issues by the ERC—the cancer descriptor and the database uncertainty factor—may be needed.

I'm around tomorrow to address any questions you have on this draft before it goes to Lynn to close out ERC review.

Thanks!
Sue

Hi all,

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

I am hoping that with the random timing of leave that Lynn, David, and perhaps a few others will be able to take a quick look at the changes and we can move this one expeditiously through the ERC.

Thanks all!
Samantha
